CHEMICAL WEAPONS CONVENTION IMPLEMENTATION AND COMPLIANCE POLICY GUIDANCE

References: See Enclosure H.

1. Purpose. This instruction provides military guidance and establishes military policy for compliance with the Chemical Weapons Convention (CWC), reference a.
2. Superseded/Cancellation. Chairman of the Joint Chiefs of Staff Instruction (CJCSI) 2030.01C, 9 April 2010, "Chemical Weapons Convention Compliance Policy Guidance," is hereby superseded.
3. Applicability. This instruction applies to the Military Departments/ Services, the Combatant Commands, the Joint Staff, and the Defense Agencies.
4. Policy. Enclosure A outlines administrative and operational policies concerning compliance with the CWC. The Secretaries of the Military Departments and the Combatant Commanders (CCDRs) are to use this policy guidance in conjunction with CJCS Manual (CJCSM) 2030.01, reference s, to promulgate their respective detailed plans and policies.
 - a. The CWC is a multilateral treaty that prohibits the development, production, acquisition, stockpiling, retention, transfer, and use of chemical weapons (CW). It also requires the destruction of all CW and CW production facilities (CWPFs). The CWC also prohibits the use of riot control agents (RCAs) as a "method of warfare." Reference v and Enclosure C provide further guidance on U.S. policy regarding use of RCAs.
 - b. The CWC was ratified by the United States on 25 April 1997 and entered into force for the United States on 29 April 1997.
 - c. The CWC (reference a) is a multilateral treaty to which the United States is a State Party. The U.S. national implementation and compliance guidance for the CWC is contained in references b through g. Additionally, references h
